

Motor Sales

Wazee Electric has been providing electric motor sales and service to Denver and Rocky Mountain industrial customers since 1921. Our wide range of experience and product selection can make us your.....

Your 1-Stop Shop for Motors

We sell and service motors from low voltage, fractional horsepower to high horsepower, medium voltage. Wazee Electric distributes AC, DC, and servo motors from leading manufacturers, delivering to our customers the best available quality and performance. Our experienced and knowledgeable staff and product selection ensures the proper motor for your application. Our primary concern as your supplier is to provide you the best value over the lifetime of your motor. With our full service motor shop, we can modify stock motors for custom applications.
